My ga commute options

As a commuter, you know the importance of gas kilometres, safety features and the overall comfort of the vehicle. Your choice of vehicle should be reliable and enjoyable driving to and from work every day. Read on to see the candidates from the best car for a commuter. The best commuter cars and SUVsEvery commuters have different desires and needs. For example, if most of your commute is on the highway, you want a vehicle that gets good motorway kilometres. Similarly, if your commute is long, you should choose a vehicle with features that will make your ride more comfortable. Here are some of our commuters: the 2019 Mazda 3The 2019 Mazda 3 is a great choice for commuters looking for an enjoyable ride full of safety features. According to TheStreet, the Mazda 3 has favorable reviews from drivers. They appreciated its high-quality décor, transmission and engine. Drivers also noted that this vehicle is fun to drive, making for a better commute. The Mazda 3 also has a large gas mileage rating, 24-27 mpg for the city and 32-36 mpg for the highway. The 2020 Honda Civic Sedan Touring 2020 Honda Civic Sedan Touring is great for commuters looking for a more environmentally friendly ride, says Cars.com. Although it's not an electric car, the gas miles of this sedan are so impressive that you don't have to fill it often. It gets 32 mpg for the city, 42 mpg for the motorway and 36 mpg in total. With its optional 1.5-liter, four-cylinder turbocharged engine to help you get a more fuel-efficient, efficient ride.2020 Subaru OutbackAccording to Cars.com, the 2020 Subaru Outback is the best choice for commuters living in areas with cold weather. Although it is not the most luxurious vehicle, it makes it the features of cold weather. The outback comes standard with four-wheel drive and about 9 inches of ground clearance. Its features also include adaptive cruise control with band driving, so your car automatically slows down when it senses other nearby drivers. This is a great vehicle for a ride-and-trip commuter as it comfortably accommodates adult passengers in their back seat.2019 Toyota RAV4 Hybrid For the 2019 redesign, Toyota gave its RAV4 Hybrid an impressive facelift. Cars.com that this new model has more space, a higher quality cabin, improved standard security features and a brand new multimedia system. Commuters enjoyed this crossover with a significant gas kilometre of 41/38/40 mpg. In addition to their large fuel economy, many drivers find the new RAV4 quite comfortable to drive.2020 Toyota Corolla HybridU.S. The news ranks the 2020 Toyota Corolla Hybrid as one of its top travel cars due to its impressive gas mileage and comfortable features. Its quiet cottage makes for a more relaxed ride during crazy commuter traffic. You also appreciate its excellent quality from a relatively low price tag The 2020 Toyota Corolla Hybrid is an excellent standard commuter car overall.2020 GMC TerrainAccording toTheStreet, 2020 GMC Terrain has a solid safety score and and reliability rating. Its beautiful décor offers a nice trip for up to five passengers, making it the best choice for carpooling or commuters who have to take their children to school. Even though its trunk is missing, it still offers more back space than similar compact SUVs. GmC Terrain 2020 also has some noteworthy technical features, such as smartphone app integration, Wi-Fi hot spot, large touchscreen and keyless marking, reports U.S. News. Commuters looking for safety features appreciate the terrain forward with automatic emergency braking, lane change assistance, automatic driving beams and a monitoring system for teenage drivers. The 2020 Mini Cooper CountrymanTheStreet recommends a 2020 Mini Cooper Countryman for city commuters. This is because this compact vehicle makes it easy to navigate busy streets and find parking in all congested cities. Parallel parking is much easier with the 2020 Mini Cooper Countryman because it's so small. Its performance and fuel economy are other qualities that you will surely love as a commuter. The cabin has a stylish style, and every Mini Cooper fan loves its appearance too. 2020 Ford Mustang EcoboostOf of course, if you are a commuter who wants to drive in style, look no further than the 2020 Ford Mustang Ecoboost. TheStreet reports that drivers who enjoy small adventures on a morning commute will enjoy this fun ride. Drivers report that it has excellent handling and athletic décor that they enjoy. Although this car is not the most typical commuter choice, it has quite impressive fuel economy. It gets 21 mpg for the city and 31 mpg for the highway. This vehicle also offers all the power of Mustangs known, with 310 horsepower and a six-speed manual option.2020 Hyundai Tuscon20 Hyundai Tuscon may not be the most fuel efficient vehicle on this list, but it does provide smooth and reliable driving for your commute. U.S. News also notes that it has one of the longest guarantees on the market, making it a great choice for those with long commutes. Overall, it's a mid-range option for people looking for a robust commuter vehicle with standard features.2017 Hyundai Ioniq HybridAlthough this model is already a few years old, instamotor claims it's a great choice for your commuter vehicle. Its fuel efficiency is one of the most impressive, gaining almost 60 mpg. This makes it one of the best choices for commuters with particularly long drives to and from work. Its 139 horsepower may not seem like much, but Hyundai found a way to make it feel abundant in this hybrid vehicle. These vehicles should give you a better idea of all the options you have as a commuter. Whether you want something more athletic, spacious or one of these options certainly suits your desires and needs. Start making a list of your top features and narrow down the options to find the right commuter car for you. For others, that block of time is something to look forward to and take advantage of. Most of the time, the difference is what you do on your way to work. Lifehacker assistant and entrepreneur Jason Freedman discusses how he has redeemed his commute by writing posts on his blog, where staying commuting-friendly requires dictating his ideas to his phone and later paying a few bucks to a TaskRabbit user for transcribing messages. For him, it's been a revelation that has allowed him to get his commute back.Silicon Valley entrepreneur Jason Freedman has done his fair share of public speaking, and despite... Read more Actually, I'm kind of addicted to it right now and I've done six or seven blog posts in the last few weeks all about my car, all stuck in traffic. ... via an audio recorder. Driving through rush hour isn't that disturbing because I know I'm going to create a blog post about it, I'm waiting for longer drives. What about you? What do you do to make your commute a less painful experience? Share how you can make the most of your business trips in the comments. Getting your commute back | 42 FloorsIllustration remixed by Robert Adrian Hillman (Shutterstock). A lot of you spend a lot of every day at work just working and back. Long commutes cost you money and may even suck the life out of you. We've shared tips and tricks for a better commute and you've shared your own ideas right back. Your daily commute costs a lot more than what you pay for every trip to a gas station. Personal... Read more What we want to hear about you on your business trip: Photo: Sergiy Kuzmin (Shutterstock). Commuter traffic may be the most stressful part of the day – but it doesn't have to be. Do something radical to shake yours: Download an audiobook, leave half an hour early, take a new route. Use red lights, lines and delays as a reminder to practice deep breathing, a conscious medication strategy that helps you manage stress to feel better, become healthier, lose weight more effectively and respond more calmly to stressors according to a study by the general hospital.
